The Benefits of Using Yearbook Templates by [ExpresslyYours](#)

Article published on July 7th 2012 | [Book Marketing](#)

The thought of creating a yearbook can be daunting at first, especially when you consider the amount of content you need to include. The good news is that there are easy solutions nowadays that convert the task of creating a yearbook into a fun and easy experience. The best solution is yearbook templates and software. Here are the benefits to using these templates and software for your yearbook:

- 1- You can create your yearbook in hours instead of months “ with many new features available, such as auto-collage creation, email proofs, online collaboration and image cropping and editing abilities, most of the tedious work is eliminated.
- 2- The risk of error is lowered. Usually when you send a file to a printing company, it isn’t print-ready; therefore it can create errors that are out of your control. Most yearbook software will automatically convert your file into a press-ready file or proof that gets automatically upload to the production company.
- 3- You can make mass changes easily and quickly. Student information can be edited either individually or in groups, reducing your editing time.
- 4- Most templates are managed online, which means that all edits you make are applied in real-time and are housed on a secure server.
- 5- Instead of using general software that requires you to figure out how to make it work for your needs, yearbook software is created specifically for the yearbook designer so the tools and features you need are readily at your fingertips.
