A Quick Guide to Choosing Long-Term Rental Villas in Marbella by Anthony Thomas

Article published on May 24th 2012 | Business

A long-term vacation at a beautiful Marbella resort is one of the best treats that life can offer you. Marbella is a splendid tourist destination located in Costa del Sol in Andalusia Spain. It is known for its vibrant fauna and tranquil environment. This luxury tourist spot is quite popular among US and European tourists. There are plenty of luxury private estates and 5 star hotels, but the real charm lies in staying in one of the best long term rentals in Marbella, preferably in a luxury apartment or a plush sea-side villa.

As a tourist, you will have to make sure which rental unit is best for your long-term stay in Marbella. Do you want a no-frills apartment or a luxury villa? The latter might be a smart choice if you want a comfortable and luxurious stay. Most villas in Marbella offer splendid sea-side views and the natural surroundings. The serene environment and the fabulous beach settings are something that will charm you and your family.

The best villas in Marbella to rent are the ones close to restaurants, shops, banks, the beach and the supermarket. Remember that you are looking for long-term rentals, which means your stay might be 2-3 months long. You will need all key facilities nearby, so that you and your family can enjoy a comfortable stay at Marbella. You can opt for a long-term rental villa near Marbella center if you want to enjoy amenities close by. All shops, bars, restaurants and supermarkets are just 3 minutes from your villa.

Next, look for villas that are spacious and well-furnished. You will need the help of online rental agencies to choose the villa of your choice. They have great tools to make your searches easier. You can filter the results by choosing the number of bedrooms and baths, the minimum and maximum rent and the location. The filter results displayed will provide in-depth details about each villa, the amenities available and whether the villa is close to important buildings/landmarks.

Whether you are looking for long-term villas or rental apartments in Marbella, make sure you contact the right rental agency. This will help you get the best rental units at affordable rates.
