India is a country famous for its abundance of diversity and culture and isalso known for its jazzy, vibrant and colorful style of living. If you yearn to see your home through an Indian kaleidoscope, then here are a few items that can help, giving your abode a fresh, inspiring and unique look.

Floor Cushions â€“ Round, rectangular and square floor pillows and cushions will add ethnic style to any home dÃ©cor theme. Highly functional, comfortable and colorful, they will add a dash of vitality to any room. Full of ornate designs, patterns, and textures, Indian Cushions can add bursts of color to otherwise dull areas of your home. Multicolored, varied in texture, large and small, these Floor Pillows are a pleasure to look at and comfortable to sit on. Impress your guests with the ethnic style and cultural flair afforded by a set of colorful eye-catching floor pillows.

Indian Tapestries â€“ Elaborate and intricate embroidery with extensive mirrors, cowry shells, faux pearls and wood beads is the trademark of Indian tapestries. An India wall hanging evokes feelings of warmth, vitality, fantasy and inspiration. These breathtaking beaded and embroidered tapestries can be hung on the wall, framed or unframed. They can also be used as curtains, window dÃ©cor, table spreads or sofa throws. Indian tapestries and wall hangings are rich in texture and will add glamour and vitality to any home dÃ©cor setting.

Ottoman Poufs â€“ An Ottoman Pouf is a great way to add unique, eye-catching yet inexpensive seating to your home. Being handmade, one of a kind pieces of furniture, they give an exclusive and culturally sophisticated look to your home. At the same time they are highly practical, useful not only as seating but as foot stools or tables. Pouffes are just as comfortable as they are visually attractive

Indian Bedspreads â€“ Indian bedspreads are available in traditional and modern designs as well as in a wide variety of fabrics, colors, patterns and textures. These stunning and mesmerizing bedspreads add dramatic flair to your home decor. Indian Bedspreads are full of detail, often covered with many different types of floral embroidery including traditional Indian paisley and jamavar embroidery. These opulent textiles are vibrant with passionate color and texture, turning your bedroom into a royal hideaway.

Instill a new breath of life into your home by giving it a beautiful touch with these decorative accessories. Indian ethnic decor is full of vibrant colors and textures. You can find many of the above mentioned items and a wide variety of other decorative home furnishings from online stores. Go ahead and browse online to access a wide range of Indian dÃ©cor products and accessories.
