Advantages of Studying in Coeducational & Day Boarding Schools by [Osa Webmasterone](#)

Article published on May 7th 2012 | [Business](#)

New Delhi “ is the center of education in India. Many migrants from other states of India also want to stable in Delhi due to its highly recommended educational centers. We can also say that Delhi can be the host of Education in India ranging from the good schools to the higher studies in various big universities which are placed in the top rank across the world.

UNESCO has also attributed “a healthy environment of education can only imparts the quality education”™. Various coeducational and day boarding schools in Delhi are doing the same task for the service of mankind and children. Co-educational schools in Delhi are taking both the girls and boy’s™ strength in the same school. The ancient Greek philosopher, Plato, said that “Co-education creates a feeling of friendship. He advocated teaching of both the male and female sexes in the same institution without showing any refinement in imparting education should remain the main motive of various schools”™. Thus all the co-educational schools in south west Delhi is doing their level best job in catering the student’s™ better educational and moral life.

In recent days day boarding schools in Delhi are doing their commendable job for the development of students not in their academic level but also in the area of their co-curricular and personality development too. In the modern times where both the parents are working and get hardly enough times to take proper care of their school going kids, then schools of day boarding helps them a lot. Here in the day schools, they are being provided all the facilities which include the good nutritious meals, a full time place under the best guide where your child can finish their home works too in the group of their friends and permanent teachers. They can use the recreational activities also which includes TV, internet, yoga or games classes or many other hobbies that do interests to theses students. By the end of the day, parents can pick their child by their own or by using the schools cab facilities. Day boarding schools are the additional options included in the boarding schools. By knowing the tremendous facilities of today’s™ schools in Delhi, they have become the center of attraction among students and parents. These schools are affiliated with various Boards e.g. Delhi School Education Board, Central Board of Secondary Education, New Delhi, Council for The Indian School Certificate Examination, New Delhi and others. Schools in Delhi are also available in various categories, like Co-education, All Boy’s™ School, All Girl’s™ School, Boarding School for Boys and Girls, Schools for Children with Special Needs etc.

Schools in Delhi provide first class school education that nurtures young minds to take challenges in academics and in their daily life skills. The infrastructure facilities offered in such Schools are excellent in terms of well maintained classrooms, libraries, well equipped laboratories and many sports facilities with all necessary items. These schools also focus on good personality development of each child.
