Article published on December 16th 2011 | Business

US immigration norms have become very stringent post 9/11 era, putting a stop to an endless flow of immigration aspirants from all over the world. Today getting into that country is legally almost impossible and if countered with the illegal means can have serious repercussions.

US EB5 fifth employment based visa program is an ambitious initiative. It provides one of the rare opportunities to the eligible people across the globe to get citizenship of the most dreamt and sought after destination, the USA, A giant economy fueled by abundant natural resources, an unparalleled infrastructure, productivity and Lifestyle.

Key Features

1. A Green Card through this program provides Permanent Residency for the applicant, his or her spouse and his children under the age of 21.

2. EB5 visa needs substantial investment of at least $ 500,000 in a commercial enterprise in any of the 126 USCIS approved regional centers.

3. You get a conditional green card on investment.

An EB5 approved Regional Center is an area designated by the USCIS as eligible to receive immigrant investor capital with an aim to provide impetus to the

local economy and boost employment in the targeted area.

You choose from list of approved Avenues, to invest in

1. A new business

2. Restructuring of an old company.

3. You need to have a minimal policy-making role in the enterprise.

4. You get a conditional green card for two years.

After the mandatory probation period of two years, you need to file petition to satisfy the Govt. on the predefined parameters for removal of conditions, such as

1. Maintaining the investment for the 2 years

2. Creating at-least 10 full time jobs throughout the period.

You need a comprehensive evaluation to Single out the Successful EB-5 projects promising excellent returns from the notorious ones with low rate of returns; especially, when you are investing a phenomenal amount of money into a venue, where you do not have a credible source of information.

Although there is no dearth of the EB5 consultants in India and New Delhi, getting an unbiased appraisal is must. You need an EB5 immigration consultant who can handle all this process without any hassles.

We the Abhinav

1. Pack our punch in providing the independent and the impartial preview of the investment opportunities at performing approved EB-5 regional centers under EB5 program.
