Article published on July 2nd 2012 | Business

If you own a business then you will want to make sure that you have the right security options in place to ensure that your premises remains secure and protected from would be thieves or vandals, and some of the best options for any kind of shop, warehouse or other business are roller shutters. Roller Shutters are sturdy, durable and available in a huge range of different sizes, and this means that there are roller shutters to suit every kind of security need.

The right kind of roller shutters will be secure against considerable force, and will also offer protection against the devastating impact of fire, ensuring a blaze is kept within a particular area and does not spread to an entire building.

Here at Security Direct we specialise in roller shutters and our range of roller shutters is comprehensive, including a huge variety of options which ensure that everyone looking for security options has access to the right roller shutters for their needs.

We are a family run roller shutters firm and we have been providing durable and top quality roller shutters since 1990. Our range of roller shutters is one of the largest available and includes solid lath roller shutters, vision roller shutters, LPC roller shutters which are insurance approved, roller shutters for use as garage doors, fire rated roller shutters, fire and smoke curtains and roller shutters with built in stepped lintel features.

Our fire rated roller shutters are among our most popular options and our selection of these type of roller shutters includes one hour, two hour and four hour solutions, giving our customers a fantastic range of choice.

All of these roller shutters are internally fixed and are ideal for use on reception counters, in corridors, on doors and windows or on kitchen serving hatches.

If you are looking for high quality and durable roller shutters then visit us here at Security Direct and browse through our varied and affordably priced roller shutters collection. We are a leading supplier of roller shutters and we can deal with any roller shutters requirement, on any business premises.
