Are you looking for Compost for Sale? by [Mary Porter](#)

Article published on July 12th 2012 | [Business](#)

Compost is one of the most widely used products in all types of landscaping jobs, but those tackling a large scale garden renovation might be wondering how they will get their hands on the large amount of compost they need. Using reliable gardening and landscape firms with a large volume of compost for sale is a great choice and ensures that compost does not run out at any time during a job.

When looking for compost for sale it is important to make sure that high quality compost, which is going to do the job well and offer the right level of performance, is bought. Compost in general is made from a wide range of things, including waste products and added nutrients, and the right compost for sale will be rich in the right nutrients and products.

If you are looking for compost for sale then visit us here at Farmyard Organics and browse through our wide range of compost for sale. We specialise in high quality compost which is ideal for all kinds of uses, and we can recommend the right compost for sale for all of your growing needs.

Our compost for sale company is based in the Umgeni Valley, right next to the Albert Falls Dam, and this location means we can easily source the best raw material for our compost for sale from leading suppliers in the local area.

All of our compost for sale is made of completely organic products â€” including kraal manure, sawmill waste, horse manure, spent mushroom substrate and waste from nearby sugar mills â€” and is ideal for use as general compost for all kinds of gardening.

We recommend our compost for sale be spread to a thickness of between 10mm and 15mm, for the best growing and gardening results.

If you are looking for compost for sale in South Africa then visit us here at Farmyard Organics and talk to our team about your compost for sale needs. We specialise in high quality compost for sale and we can provide you with as much compost for sale as you require, for a reasonable price.
