Sports teams who want to ensure that every member feels like part of the squad should make sure they invest in great quality strips for their team to wear while playing, and cricket team managers will find that there are plenty of Cricket whites options for them to choose from.

The right cricket whites will look chic and stylish when a team hit the cricket venue, but will also be comfortable enough and allow for easy movement around a pitch. As well as this, cricket whites need to be durable enough to be washed following every game and should be available in a range of different sizes, to ensure that every member of a cricket team gets the right cricket whites for their shape.

If you are looking for new cricket whites then visit us here at Cicada Sports and check out our varied range of cricket whites, which includes everything from trousers and tops to gloves and wicket keeping pads which ensure all members of a cricket team remain protected when out on the pitch.

We know that quality is important for those looking for cricket whites for their cricket team, and this is why we only stock cricket whites from leading brands with a focus on great materials, comfortable cuts and durable solutions.

All of our cricket whites are available customised, and this is a popular option among cricket whites buyers who are investing in strips for a specific team. Our cricket whites can be embellished with a logo and are available in several colour combinations – cream and navy, cream and dark green and cream and maroon.

As well as looking great our cricket whites are designed to be comfortable and are made from moisture management fabric, essential for cricketers who are out on the pitch in warmer conditions and need to make sure they stay cool.

To make our cricket whites extra cool on hot days, they have taped side vents.

If you are looking for new cricket whites for your team then visit us here at Cicada Sports and browse through our comprehensive cricket whites selection.
