Barry James Sharples Solicitor - Help for Civil and Commercial Litigation by [Julia Roger](#)

Article published on June 23rd 2012 | [Business](#)

Commercial litigation practice requires expertise and knowledge of the various laws and statutes hence Barry James Sharples Solicitor is a trusted name and known for his experience in the field of law. He identifies the potential legal problems and assists business owners in minimizing the risk. He provides comprehensive legal analysis at all stages from acquisition to negotiation, drafting, and reviewing business related contracts. Whether it is the misuse of intellectual property or fraud and abuses of trust, every related issue can easily be handled by this solicitor. He is responsible for representing the parties in trials, hearings, arbitrations and mediations before administrative agencies.

He has a diversified role to play and being litigation professional he is involved in adversarial process to embrace the conflict and controversy. Having complete knowledge of substantive and procedural law he analyses the reasoning abilities. With the ability to synthesize complex legal and factual materials, he has superior interpersonal skills along with strong advocacy talent. However, before going in for the process he issues a statement of claim, which sets out the facts and the legal grounds that the Plaintiff is relying on the claim against the defendant. Once when the claim gets issues by the court of justice it is then served on the defendant. In addition, a fixed period is set within which the defendant can respond to the claim, failing which; the Plaintiff can move to obtain default judgment from the defendant.

Being a reputed name in the industry Reviews Barry and Michael Connell has a high success ratio of winning his cases. Right from investigation, pleadings, discovery, pre-trial, to settlement and appeal everything is dealt in a proper manner so that the client is fully satisfied with the service he receives. Not every lawsuit passes through each stage hence he undertakes complete responsibility in handling the case with complete sincerity and dedication. However, one thing must always be kept in mind that the lifespan of case may range from several months to years depending on the complexity of the issue. Discovery is the most crucial and labor-intensive stage when it comes to civil litigation and Barry being a professional devotes his time to discover the proper facts. If you are facing any such legal litigation issues then immediately contact one of the most reputed names in law industry.
