Basic Bidets â€“ Redefining Standards of Hygiene and Comfort

By BasicBidet

Article published on July 2nd 2012 | Business

Hygiene is something that should be as much a part of our life as eating food or sleeping is. And when hygiene comes with comfort, it makes life so easy. Redefining the standards of hygiene and comforts are Bidet with thei ideal solutions to hygienically clean when in washroom. Many people are happy cleaning their backside with toilet paper when using rest room. Little do they realize that toilet paper cannot completely cleanse and sanitize the delicate area, which leaves it prone to bacterial attacks. Bidet NY offers high pressure cleaning using water jet shot through a high pressure nozzle.

Among the many types of bidets on offer is the most basic ceramic Basin Type Bidet that is fitted alongside toilet. When used on the toilet seat, the water gushes upwards to wash you. The company also offers plastic made Simple Bidet Seat attachments that are designed to be fixed on the existing toilet. These efficient attachments donâ€™t take much space too. Among the most advanced ones from Bidet NY are Electronic Bidet NY seat attachments that operate on electricity. With interesting features like retractable telescopic wash nozzles, warm and cold water washing, warm air dry, seat heating systems, adjustable washing positions etc, these electronic seat arrangements have actually made hygiene so easy to get.

For those professionals who are always on move, there is Portable bidet too. These easy to carry portable bidet can fit easily in your luggage without taking much space. Carry them with you where ever you go to ensure that your hygienic cleansing after using the washroom is never compromised. From warm water supply to comfortable seat, these portable bidets have almost all the features. They are also a blessing for couples with young children. Now, offer your kids protection from hemorrhoids problems, infections and itching with them.

In fact the benefits of bidet NY are such that once you use it, you will not like to use toilet paper again.
