India is a home of many cultures and traditions and people of different religions. India is very famous for its unity in diversity. It is a developing nation and is developing in the field of education too. Education in India is given priority by the government; it is proved by the step of implementing RTE throughout the country. There are many good schools in the country that creates responsible citizens of tomorrow.

The schools in India are affiliated to many boards like CBSE, ICSE, National Institute of Open Schooling and the state government boards.

These boards are controlled by the Indian central government and state government. There are some international schools that are affiliated to international boards. Education provided to the Indian schools is from the public sector and private sector as well. The funds for the schools come from the three levels: central, state and local. The best schools of the country are Shri Ram School, Delhi, Cathedral And John Connon School, Mumbai, Mallya Aditi International School, Bangalore, Padma Seshadri Bala Bhavan, Nungambakkam, Chennai, Vasant Valley School, Delhi, Springdales School, Dhaura Kuan, Delhi, Sanskriti School, Delhi, Delhi Public School, Delhi, The Mother's International School, Delhi, Vidya Niketan School, Bangalore, Smt Sulochandevi Singhania School, Thane, Mumbai, Gitanjali School, Hyderabad, Champion School, Mumbai, Bombay Scottish School, Mumbai, Valley School, Bangalore, Step By Step School, Noida.

Education is spread all over the country and it is not limited to one place only. Shri Ram School of Delhi tops the list of best schools in India. The school has three main campuses, one in Vasant Vihar Delhi, other two in Gurgaon. It is a co educational private school. The school focuses at providing best quality education to their students. The School provides a positive environment in which students are encouraged to achieve their fullest potential. In a surroundings of mutual support, equality and dignity, each child is given the opportunity to strive for excellence within the framework of an extensive and diverse curriculum.

Bangalore and Chennai are the two major metropolitan cities of the country with very high education standard. Both these cities have high literacy rate of 89 and 90 percent. The schools in Bangalore and Chennai are affiliated to various boards such as CBSE, ICSE, NIOS or the state board. Some of the schools are also affiliated to the international boards. The private schools of Chennai offer education in English only where as Tamil board offers both the mediums of education i.e. English and Tamil. Schools in Chennai are St. Bede's Anglo Indian Higher Secondary School, Sri Vidhya Academy International School, Good Shepherd Convent Matriculation School, Krishnamurthy Foundation India, Kendriya Vidyalaya, Sushil Hari International Residential School, etc.

Sri Vidhya Academy International School is situated in Pattabiram Road, Sokkanallur, and Pattabiram. It is a co educational English medium school that provides education from class nursery to class 12th. The school promotes healthy relationship, excellent academia with a spectrum of extra-curricular activities and opportunities to learn many basic skills.

Bangalore is also emerging as the main educational centre of India. The best schools in Bangalore are TRIO World School, Sahakarnagar, Vidya Niketan School, Delhi Public School (DPS), St. Joseph's Boys High School, Baldwin Boys' High School. Vidya Niketan School is located Hebbal. is an English medium school affiliated to ICSE board till grade 10th and to ISC for classes 11th and 12th. Student teacher ratio in the school is 15:1. VNS has a lush green campus of 6 and half acres, easily accessible from the city. There are separate buildings for the Junior and Senior sections with

independent facilities for each. A meeting ground for students from a wide cross section of society.

The educational standard of these places is increasing rapidly and the schools are continuously developing higher number of well educated and sensible students all around the country.
