Article published on December 7th 2011 | Business

Do you want to enjoy living in beachfront community of San Diego, a well-known city of California? San Diego is known for its exciting bays and warm atmosphere all over the year. It is favorite tourist destination with lots of entertainment and recreational activities. Especially, if you are searching for beachfront properties or homes, La Jolla real estate is one of the attractive destinations among many beachfront communities in San Diego.

La Jolla is the most popular resort town in California with population of about 29000. It has beautiful coastline with the blend of hillside views. You will find it clean, safe and beautiful views round the year. You will find many different neighborhoods with different prestige levels and real estate prices. Some of the neighborhoods in La Jolla real estate market are â€“

â€¢ Bird Rock â€“ It is charming ocean side neighborhood. You will find La Jolla houses in the range of $1.5 million and condos in $500 thousands and above.

â€¢ Beach Barber Tract - This area shows variety of homes with different styles. This area gives easy access to La Jolla downtown area and Pacific beach to its south.

â€¢ La Jolla Country club â€“ This area is hilly area with slopes and canyon. It is exclusive area having easy access to the village and surrounding area.

â€¢ La Jolla Alta â€“ This area is known for its most spectacular views. Here you will see ocean, bay and downtown city light views in a glance from many homes.

â€¢ Hidden Valley â€“ This area has easy access to La Jolla and beautiful green lush foliage.

â€¢ La Jolla farms - You will find extensive residences in La Jolla in this area.

Besides these neighborhoods, there are many other areas like La Jolla Mesa, La Jolla shores heights etc.

If you are looking for apartments in La Jolla, there are many alternatives for selection. You will find one bedroom, two bedroom apartments and different spacious designs in La Jolla apartments. Many people opt for affordable apartment houses on rental basis. It is the most affordable alternative for people concerned with investing huge amount in buying homes.
