Buying extended Land Rover car warranty by Ashish Pandey

Article published on February 7th 2012 | Business

An extended car warranty can be called a contract that is signed between a company from which you buy the car warranty and you. This contract can cover repair costs on your car. Often people get confused between the extended car warranty and the car insurance. However, both these terms are totally different. While the car insurance can be a broader term that includes various aspects such as theft, accidents and other things, an extended car warranty will only include the repairs and maintenance as well as the services. In simple terms, if you have bought your Land Rover with, say 5 years of warranty period, the extended Land Rover car warranty can provide you additional 2 years warranty. This assures you that your Land Rover will be covered despite lapse of the car warranty.

Buying the Land Rover car warranty can be daunting, especially if you are doing it for the very first time. Infact, given that there are various companies offering you a range of coverage options, it can even become confusing to decide how to buy the best warranty on Land Rover. Nevertheless, one thing is for sure and that is, you cannot escape from the auto insurance even if you by this Land Rover car warranty. This is so because insurance and extended warranty are completely different products and in order to get your Land Rover completely protected and safe, you need to keep it insured from a very good company. Coming back to the extended warranty, you need to first and foremost understand what extended Land Rover car warranty is.
