Article published on March 22nd 2012 | Business

What do you look for, when you are finding a home? A good location? A good neighbourhood? Luxury? All the amenities and facilities that will ensure a comfortable lifestyle, and most of all, will the property value increase as the years go by? Yes, that is what one ideally looks for when finding a home for the entire family.

At DLF Regal Gardens Gurgaon, you can find all this and a whole lot more. You can be sure that when you make an apartment in this property your home, it will give you the ultimate in luxurious living, and will ensure that the value of your property only rises with time to give you magnificent returns. The best thing about this property though is the way it is designed. Influenced tremendously by Mediterranean architecture, the edifice opens as if, open arms are embracing you as you walk in.

The neighbourhood is fantastic, and you can be sure that you will never be too far away from any convenience you need be it a school, hospital or recreational facilities like shopping complexes. The strategic location ensures that it is close to every access point from Delhi and Gurgaon. It is well connected to neighbouring towns and cities through the periphery roads as well to ensure that you can get to wherever you want without wasting any time.

The amenities are absolutely world class and offer the best in luxurious living. From air conditioned entrance halls, all the apartments are air conditioned as well. Most of the apartments offer an unobstructed garden view so that you can have a stress free life when you come back home from a hard day at the office. You will never know that you are in the heart of the city as you will constantly be surrounded by lush greenery.

Your children to can have a great time growing up at DLG Regal Gardens as large opens green spaces will ensure that they have ample of space to run around. A host of recreational facilities too within the complex ensure that you do not have to go too far away to rejuvenate your mind and body.

This property is indeed a feather in the hat of Gurgaon, and if you are considering parking your hard earned money in a place that you know will bring you results, this beautiful property has to be it and whatâ€™s more, these great apartments are now available at an unbelievable discount.
