Article published on June 20th 2012 | Business

Anyone who has ever employed people or been employed themselves will know that there are all kinds of different rules and regulations which have to be adhered to in the workplace, from the amount of hours worked to guidelines for when staff need days off through illness, and agency worker regulations are an area which many companies need to be knowledgeable of.

A couple of years back, more agency worker regulations were put in place by the government to ensure that those who seek work through agencies are not treated unfairly in comparison to full time or part time contracted workers, and it is vital that firms adhere to these agency worker regulations to ensure they are not leaving themselves open to prosecution.

If you need to make sure that you are clued up on agency worker regulations then visit us here at orangegenie and talk to our team about your needs. We are experts in all areas of employment law and legislation, and we work with all kinds of agencies offering a wide range of different working roles.
