Article published on December 15th 2011 | Business

JCA Trademark UAE is a leading international brand protection company that specializes in Worldwide Trademark Registration and company formation. With over 10 years of experience, we provide services to our thousands of clients from different fields including leading airlines, communications firms, IT companies, pharmaceutical companies, manufacturers, financial institutions and business services companies. Registering a trademark prevents others from using a companyâ€™s business identity to market its own products, protecting the brand and preventing possible confusion. We handle a sizable number of trademark, patent, design and copyright registrations from countries around the world; we have successfully settled a number of Intellectual Property Infringement cases through legal proceedings. JCA Trademark is expertly competent to represent clients all over the world. All our Trademark Registration is cost effective. We follow Speedy action, without sacrificing quality and accuracy standards, irrespective of the urgency or complexity of the matter. Our services include Business Advisory, Management consultancy, Intellectual property etc.

Our other overseas services are:

1.Trademark Registration in Bahrain

2.Trademark Registration in Lebanon

3.Trademark Registration in Morocco

4.Trademark registration in Saudi Arabia

5.Trademark Registration in Iraq

We hold a team of expert intellectual property attorneys and agents in each country and region, and high level professionals that will be personally in charge of requested services. We operate in many countries and regions through exclusive agency agreements with reputable patent and trademark attorney firms in these countries and region. We provide trademark availability searches, trademark registration and trademark watching services. We help you to build your business. Inside you will find your resources at jcatrademarkuae.com. Informative and detailed sales tools and presentations are yours for the taking.

When you apply for Trademark Registration in Bahrain, it is valid for 10 years as from the date of filing the application. Thereafter, a trademark registration is renewable for periods of 10 years each. Whereas when you go to file your Trademark Registration in Lebanon and Trademark Registration in Iraq, your protection lasts for 15 years. When you apply for Trademark Registration in Morocco, period of protection is 10 years. The protection lasts 10 years from the filing date. For Trademark registration in Saudi Arabia, the patent's term shall be 15 years from date of grant and it may be extended for five more years.

We are committed to provide our valued clients with professional and high quality services that could best meet their requirements. For this end we depend on accurate understanding of the clientsâ€™ needs, and follow up until their full satisfaction is reached. We always give special attention to urgent cases without prejudice to normal ones. Missions with deadlines are always attended to, followed-up and achieved in due course.
