Edmond Masjedi, Los Angeles is a Businessman and a Philanthropic Individual by [Izzy Mathew](#)

Article published on March 28th 2012 | [Business](#)

Edmond Masjedi, Los Angeles is an entrepreneur with a very good academic background which includes a degree in business and marketing from the California State University, North Ridge. He always follows a very different and innovative approach to business. He is an initiator who conceptualizes a business, makes it stand on its feet, sets on the course to success and then hands it over to a big company. He has started many different kinds of businesses and ran them all with great success. But he never stayed with one business for long and as soon as he felt that he has contributed all he can to a business, he moves on towards his next business venture. During the course of his long and successful career, Edmond Masjedi, Los Angeles started and steered many companies towards success, took them to great heights and when he felt the time was right he handed them over to a big and renowned company and set to work on new ventures. Having spent so many years in the business world and working in some many different lines of businesses in varied environments, he has gathered a tremendous amount of experience and a great deal of expertise.

Besides a being a highly successful businessman who has a proven track record that shows he is capable of working in any line of business with great success, Edmond Masjedi, Los Angeles is also a philanthropic individual. For the last many years he has been supporting several charitable organizations that are working for the betterment of the society. He has been actively involved with charitable organizations like Penny Lane Foundation and St. Jude for Kids and supports them in all possible ways. He is an ideal citizen who serves as a role model for many individuals both inside and outside the business world. Edmond Masjedi, Los Angeles acts as an inspiration for others to succeed in their chosen fields and also to act as responsible citizens and give back as much as possible to the society that has given us so much. He strongly believes that by collective effort we can make this world a much better place to live.
