Itâ€™s an exciting moment when your professional driving license pops through the post. This is the start of an amazing adventure, itâ€™s the beginning of your driver tuition, itâ€™s the time to find a quality Driving School Coventry that can help you to reach test standard and pass at the first time of asking. So where do you begin?

For starters donâ€™t book the first set of Driving Lessons Coventry that you stumble across. There are tons of driving schools all vying for business and many will claim they offer the finest Driving Lessons Coventry can provide. In many instances itâ€™s not true and youâ€™ll be wasting your money booking Driving Lessons Coventry through the driving schools. Take your time and weigh up a few factors before you book driving lessons and youâ€™ll be fine.

What to look out for

The most important factor to consider when choosing Driving Lessons Coventry is the standard of the instructor. Thatâ€™s pretty obvious if you think about it. A highly trained instructor teaches a better standard of Driving Lessons Coventry and youâ€™ll benefit more from a friendly, reliable ADI instructor thatâ€™s fully qualified and comes from a reputable Driving School Coventry.

Steer clear of trainee driving instructors when booking Driving Lessons Coventry believe it or not, they do exist. A number of schools of motoring employ trainee instructors and try to pass them off as fully approved ADI instructors, how shocking is that?

A good way to spot an approved instructor is to look for their badge. This should be displayed on the windscreen of their car and green shows they are qualified whilst red indicates a novice instructor.

Itâ€™s quality not quantity

It takes pupils a different amount of time to pass their test following a course of Driving Lessons Coventry. Everybody is different, some people take to Driving Lessons Coventry quicker than others but itâ€™s the quality of the driving lessons that are important.

You might think youâ€™ll save money with a budget-priced Driving School Coventry but that might reflect on the quality of the Driving Lessons Coventry. If theyâ€™re ridiculously cheap you could end up paying for extra Driving Lessons Coventry because they simply arenâ€™t good enough.

Bear that in mind when booking Driving Lessons Coventry and look for a school of motoring that has been established for a number of years and has glowing testimonials from past pupils. If they have a high first time pass rate they must be doing something right and itâ€™s worth booking Driving Lessons Coventry with them even if they are slightly dearer because theyâ€™ll save you money in the long run.
