Envy Your Friends with Gorjuss Bags by Julia Roger

Article published on June 29th 2012 | Business

Bags are always a must have fashion accessory for every woman. You would find a number of bags in a womanâ€™s wardrobe for different occasions matching every outfit they wear. These bags are a part of their life and are essential for carrying belongings. But when these bags feature the whimsical artwork of Suzanne Woolcott then these bags remain not ordinary but become gorjuss bags. These bags are exquisitely designed by a famous Glasgow artist who is known for her immaculate style and refined artwork. A well known name these bags are can even be given as gifts to your friends or can be kept as a part of your own collection.

These cute bags are available in different sizes, colors and patterns. These bags portray the innocence of childhood and you would really love to carry them wherever you go. Made from wool, cotton canvas and real suede these bags have fine detailing and are lined with stripped cotton fabric. Provided with beautiful attachments these bags have leather handles and are durable. The disaster designs would definitely make it difficult for you to choose one as all of them are simply beautiful and trendy. Whether itâ€™s a shopping bag, purse, wallet, clutch bag, pocket bag, weekend bag, shoulder bag, hand bag or slouch bag you would feel like making all of them a part of your fashion accessory.

Made with elegance and attention to details these bags are light in weight and easy to carry. You could easily envy your friends using these stylish bags. Easy to open these bags are provided with multiple pouches to carry your belongings and are also durable. Perfect for every woman these bags could easily revive your childhood memories and make you feel young again. These designer bags can easily be purchased from local Gorjuss stores or can also be ordered online from the website. Cost effective each of the bags stands different from the other in looks and is highly popular. Do check in your nearest store for the latest bag collection so that you do not miss out on anything new. Keep up your girly feeling by using these bags which are ideal for all seasons and occasions.
