Espace Global Freight Ltd are based in Staffordshire, UK, we have offices in Litchfield, Warrington and Hull. Along with our customers we believe we are the best in sea freight companies, due to our excellent customer service. We decided we would fill the niche in this very specific market by providing our customers and trading partners with a professional, reliable range of freight forwarding and logistics but with a personal tailored solution not always achievable with the faceless chain companies. When you choose Espace Global Freight you have selected one of the nation's best and well respected freight forwarding and sea freight companies. Our reputation as a forward thinking company who thinks outside of the box has spanned many successful years with a solid experienced staff bank who have accumulated a wealth of expertise in this field, we believe this is what makes us one of the premiere freight forwarding and sea freight companies to over 500 UK and European based companies.

We deal with a wide range of customers from the smaller clients who may need assistance to blue chip companies; due to our flawless reputation we also have many long term business associates that we deal with time and time again. Contact the best in the business online at

www.espaceglobalfreight.com or on 01543 418 700 where our friendly, professional staff will do every thing possible to ensure your freight forwarding and sea freight is as straight forward and reliable as we believe it should be each and every time. Our staff are professional and experts in imports, exports and customs and all the legalities this often entails. We are also often able to offer advice on maximising efficiency with solutions to your freight forwarding.
