Article published on May 10th 2012 | Business

Everyone will wish to maintain their own cars clean and shining every time. You will try your best to protect your car from many types of adverse environmental effects of which some of like dust, dirt, sunlight are affecting the exteriors of your car. You may be losing the look of your dream vehicle if you canâ€™t do a proper car was service. Better car washing services provided in your area will make you so happy and proud that your car is always flamboyant. Apart from the mere car washing services, the other professional detailing will provide you a complete auto spa experience. The service providers who are really in to this sort of professional business are absolutely catching the mind of car owners to reach them with their car whenever they need a car service. The advanced and utility services provided by the car wash & auto service providers are excellent in USA.

The car wash service providers are normally giving their services on a package basis. You will be able to choose your affordable package in which will not be excluding your required washing and other related services. The professional car wash services provider named Express Auto Spa based in Fredricksburg, Virginia is a prominent auto team. The different washes provided by them include Supreme Express Wash, Ultimate Express Wash, Express Wash, Ultimate Exterior, Basic Exterior Wash etc. which are the customized packages in different price ranges suitable for the variety of their customers.

The service methods applied in these washing packages include wheel brightening, interior surface clean, rain-x complete surface protectant, tire shine, air refreshner, vacuum, soft cloth wash, interior glass clean, undercarriage wash etc. When we come to the interior part of the cars, the services range from carpet shampoo, seat shampoo, head liner cleaning, leather conditioning etc. The duties in the exterior part are clay bar, buff and wax, hand wax, express wax, engine compartment shine etc. Again some extra services like dash protectant, mud removal, clear coat, triple foam etc. are included in their area of service coverage.

The value added customers are offered with some attractive packages for effectively and profitably meeting their regular car cleaning services. Express Auto Spa is providing Silver, Gold and Platinum VIP membership plans for their customers in Fredericksburg and Falmouth areas. The privileged customers are entitled to one car wash per day. Also all the VIP members will avail 10% discount on all car detailing services. The skilled and experienced staff in car wash and car care services is making their customers hand over their cars and go out without any sort of distress. They are using highly advanced washing techniques and equipments without destructively affecting any part of your car and they will truly make you a 100% satisfied customer with them.
