Article published on November 29th 2011 | Business

So thatâ€™s our top 5 list. Iâ€™m sure you all have your own favorite moments from the past year as well Share your top 5 in the comments below. Happy new year to all our readers! Hereâ€™s to 2011 being the most exciting Thrones year yet!

The change in medium is going to bring about some change in peopleâ€™s perception of a character. Sansa may garner more sympathy, Catelyn more respect, Game Of Thrones dvd Cersei more understanding, etcetera, etcetera. This also ties in with the concept of â€œteamsâ€• as popularized by the Twilight series. Will Team Robb grow in number versus Team Jon for the show as opposed to the books?

Personally I think the concept of â€œteamsâ€• doesnâ€™t really apply to this series as most of these char arenâ€™t obvious rivals the way Edward and that wolf guy who I canâ€™t remember the name of right nov are. However I do think there is truth in the belief that certain characters will come across slightly different on screen as they do on paper. It is inevitable. Especially when you have new viewers bringing in completely unbiased views on these characters.
