Get noticed using Illuminated Signs at your estate agency by [Mary Porter](#)

Article published on June 19th 2012 | [Business](#)

Want to stop passing trade in their tracks, hoping to secure more property sales in the future, tired of people passing by your store and looking for high-impact features thatâ€™ll make people take notice of the properties that you have for sale? Think about fitting Illuminated signs at your fascias, theyâ€™re eye-catching features that are just as effective as the for sale signs that you place outside your customersâ€™ properties.

Illuminated Signs help to create a fabulous first impression they look professional and prove to be very pleasing on the eye. Bold and adventurous, Illuminated Signs can be customised to your unique specifications adding a touch of finesse to your fascias. Alluring and highly appealing, the designs of Illuminated Signs can be quite simple or made to look stunning, the choice is entirely yours.

Donâ€™t be a shrinking violet in the high street stand up and be counted using Illuminated Signs to get your message across.

Flip through the options

Wondering which style of Illuminated signs would suit your business? How about stainless steel Illuminated Signs? They look highly effective and they come with subtle halo lighting around the surface areas of the letters creating a rather delightful result. Then again, light boxes create a bold impression in the high street and LED built up lettering could also be used in the manufacture of Illuminated Signs. Choose CNC cut letters or parabeam products for your shopâ€™s fascia the list of options for Illuminated Signs is highly diverse.

With options to suit all requirements thereâ€™s plenty of alternatives to select and manufacturers of top quality for sale signs will be more than happy to create bespoke ranges of Illuminated Signs whatever you might have in mind.

Talk through the project

Look at the shops of your competitors and see the illuminated signs they have fitted. Theyâ€™re not taking a step backwards in a highly competitive sector theyâ€™re getting themselves noticed with standout Illuminated Signs. Like your business to have a greater impact on the High street? Talk to manufacturers of for sale signs and get them working on Illuminated Signs thatâ€™ll do your business proud.

Have a site meet with the specialists in Illuminated Signs set them to work on your unique scheme. Talk about sign styles, think about colours, pick lighting effects and bring your very own Illuminated Signs to life, see the massive impact theyâ€™ll have on your business.
