Article published on March 28th 2012 | Business

This analysts forecast the Global Capnography market to grow at a CAGR of 20 percent over the period 2010â€“2014. One of the key factors contributing to this market growth is the increase in number of portable capnographs. The Global Capnography market in the Americas, and the EMEA and APAC regions has also been witnessing emergence of a replacement market in the US. However, the unorganized Capnography market in the APAC region could pose a challenge to the growth of this market.
