Article published on April 28th 2012 | Business

The Global Stainless Steel Directory 2012 is user-friendly directory that contains details of the worldâ€™s producers and traders of stainless steel bars, wire, tube and pipes in one handy reference guide.

The fully cross-referenced â€˜Buyers Guideâ€™ allows searching for a particular product by country. The index section lists key personnel in A-Z order, so you can go straight to your contact and company anywhere in the world. The abbreviation section is a handy source for terminology and is particularly useful to those who are new to the industry. http://www.bharatbook.com/market-research-reports/media-market-research-report/global-stainless-steel-directory-2012.html

Completely revised for 2012, each company has been carefully contacted to ensure you have the most up-to-date information. marketing research

Details Include:

* Company name and head office address

* Telephone/ fax numbers and email/ web addresses

* Names of senior management and other key personnel

* Year established, activities and products handled

* Type of ownership, subsidiaries and associates

* Stainless steel production plants and works details (furnaces, steelmaking plant, refining plant, rolling mills, bright bar plant)
