Article published on March 27th 2012 | Business

Google Market Intelligence has set the industry standard for comprehensive research into Google's market prospects, competition, products, services, and applications since April 2010. This subscription service provides research, analysis, and advisory services that address a wide range of topics including search, media, communications, content, telephony, applications, and more. It also includes: Google Update Report, Google-specific Reports, Google Versus Reports, Custom Research Report, Advisory Service, and Google Related Research.

We offer pricing to meet the needs of all clients including Single-user, Team, and Corporate Licensing options. http://www.bharatbook.com/market-research-reports/mobile-and-telecoms-market-research-report/google-market-intelligence.html

New Bonus Report "Credit System" for 2012

We are excited about our new "Credit System". This new system provides purchase credits that are valid for up to one year from purchase. These credits allow the client to obtain any Mind Commerce reports they wish (e.g. reports not included in Google Market Intelligence). Comparative Market Analysis

Target Audience

Competitors to Google: Any company that either already has or is contemplating a competing line-of-business, application, product, service, etc.
