Grand 50th and 18th Birthday Gifts for Mom and Daughter by [John Edwards](#)

Article published on March 6th 2012 | [Business](#)

Your Mom is going to turn 50 this Sunday. The word mom comes from a bonding that is gifted by God. There is no other relation that can surpass the mother-daughter or mother-son relation. Defining motherhood may seem lucid like the water but its meaning comes in manifold. Remember she is the first angel in your life who took the pain of bearing you in her womb for an entire stretch of 9th months. From the time she felt you within her till today, she has been your guiding star. Her love for you is endless; your mother is the most powerful strength in your life. Mere words fall short to express what she means to you. Here is a true attempt to make you Mommy feel out of the world. Stepping fifty is significant in everybody's life. Some handpicked and outstanding 50th birthday gifts can instantly startle her. Here take a look:

Black Red Wine Flute on 50th birthday: This meticulously crafted hand picked is great to gift your Mommy in honour of her 50th birthday. She would simply love the classic black finish of it. A rare gift for a mom celebrating her golden jubilee year, the glass has glittery silver bands both at its stem and rim of its upper portion. At the upper portion of the flute, number 50 is embossed in glittery silver.

Gorgeous 50th Compact Mirror with Butterflies: Pamper her with this chastely designed unique compact mirror. It swiftly glides inside her handbag. This compact mirror bears an exclusive silver finish. The butterflies engraved on the lid add elegance to the mirror. It makes perfect 50th birthday gifts.

Here is an approach to make your daughter's 18th birthday special. Being a mom it fills you with joy whenever you think that your little daughter is a grown up now. She has grown up into a woman and this 18th year signifies her first step into womanhood. You are her treasure and her best friend so, it's time you shower her with great gifts, something very special that would signify a mother's love towards her daughter. Give her this stunning pink diamante hip flask to celebrate adulthood. The funky 18th birthday head bopper adds color to her birthday mood. You will get an assorted range of 18th birthday gifts for your daughter who is all set for a new life ahead of her. On browsing the net the colorful gifts might just fascinate you with such vibrant options.
