Lawyers and laws are meant to protect the rights of the people, who might have got entangled in some kind of troublesome cases that requires legal action. Now, the question to be discussed here is that of the Lehman Brothers, who turned out to be the most unsafe investment companies ever seen in the investment world. Indeed, their proposed Principal Protected Notes PPNs were called to be as fixed-income securities, which made it certain that a minimum return that is equal to the investor's primary investment, or the principal amount. PPNs are a grouping of bonds, stocks, currencies, commodities, and derivatives. This type of amalgamated investment is valuable for investors, who are risk-averse and were promoted as if they are safe investments. Apart from this, even their Equity Linked Notes were also known as the secured investment schemes for reaping maximum benefits. But, all of them turned out to be fake notes and people started hunting out for Lehman notes lawyer.
