Hi - Tech BSNL Telecom services at Sahara City Home townships across Indiaq by [Sanchita Kumari](#)

Article published on February 27th 2012 | [Business](#)

Sahara India Pariwar is an eminent Indian based organization which is involved in different businesses like housing finance, infrastructure and housing, media and entertainment, consumer products, life insurance, mutual funds, information technology and more. Sahara Prime City Limited, the real estate entity of Sahara India Pariwar is one of the leading real estate companies of India. This entity is indulged in the development of commercial and residential properties. This entity was created by Subrata Roy Sahara, Managing Worker and Chairman of Sahara Prime City Limited to change the whole definition of lifestyle of the people and he has successfully attained it by constructing some of the world class residential and commercial projects in India.

Sahara City Homes is the biggest and most popular project of Sahara Prime City Limited. It is a chain of 217 townships and each of these complexes is spread over 80 to 300 acres of land across India. These air conditioned townships provides one to five bedroom residential units in different categories of high rise and mid rise apartments, independent row houses and independent bungalows. These residential units are constructed in different parts of the India to address the needs for a value added life. The Sahara City Homes townships provide security, health, education, transport, communication, entertainment and host of other amenities to its residents. These townships are beautifully and well designed considering the different requirements of residents.

Recently Sahara Prime City Limited and Bharat Sanchar Nigam Ltd. (BSNL), one of the largest and leading telecommunication companies have signed memorandum of understanding (MOU) to include hi tech telecom services to all the residents of Sahara City Homes Township across the India. The MOU between these two companies was assisted by Sahara Next which is the IT and Telecom Infrastructure Company of the Sahara India Pariwar. According to this collaboration, BSNL will meet all the telecommunication requirements of the residents of 217 townships of Sahara City Homes by bringing the latest telecom infrastructure.

According to Subrata Roy Sahara the objective of this collaboration is to provide full gamut of telecom facilities and services to all the residents of Sahara City Homes Townships across India. BSNL hi tech and basic telephonic facilities that will be provided by BSNL at Sahara City Homes Township are broadband services, mobile telephony, data devices, internet services, VSAT services, WiFi, WiMax and mobile telephony. BSNL will also provide competitive tariffs, bill collection facilities and other favored customer benefits to the residents of Sahara City Homes Townships.
