Honda Odyssey and Honda Pilot Make Waves in Ottawa, Canada by Timmy Radloff

Article published on March 5th 2012 | Business

Every day is a chance for families to make their lives better through getting a car that suits their lifestyle. Because everyone needs a reliable vehicle that meets their needs and provides them with a joyous on-the-road experience, parents have to make a practical choice of what car they should get for their family. Honda is one brand that answers this need.

Honda pleases car buyers with the aspects everyone is looking for during a car purchase: efficiency, high-tech features, comfort and convenience, and safety. Fuel efficiency, type of transmission, horsepower, and engine are some of the aspects buyers look into as well as technological advancements like a rearview camera for parking and an entertainment system for a fun ride.

Furthermore, comfort and convenience donâ€™t only mean luxurious seating and spacious interiors, but also ease of use like voice recognition and a navigation system. Finally, safety is a priority, and Honda provides this through many of their safety features like the anti-lock braking system and side and frontal airbags.

The Honda Odyssey is not your ordinary minivan. It looks elegant because of smooth and sleek exteriors with subtle accents. It is a very practical family vehicle with 3 childrenâ€™s seats as well outboard chairs and a cozy interior. Travelling short or long distances will be comfortable and secure for everyone, with enough cargo space, a cool box, and a wide-screen entertainment system.

The Honda Pilot is a rugged-looking, medium-sized crossover that is excellent for adventure. It feels like a minivan, but looks like a sports utility vehicle. The Pilot has great maneuverability, even through deep snow or mud. An optional all-wheel drive allows you to tow up to 4,500 pounds, and a cylinder-deactivation system cuts fuel consumption during your drive.

In Canada, travelling with the family will always be a memorable experience through a Honda Odyssey Ottawa car buyers may purchase. Ottawa car retailers know this is right for families looking for an affordable and reliable vehicle. Parents and kids would surely enjoy it because of its simplicity and functionality.

Every family that loves an adventure should get a Honda Pilot Ottawa auto dealers offer. It looks trendy, has a capacity of 8 passengers, a big cargo space, and navigation and entertainment systems. Let the Pilot fly you out on long road trips and outdoor adventures.

Honda Ottawa car buyers would love the innovations of these 2012 vehicles. Offered is a whole new driving experience for all the families out there. For more information on the Honda Odyssey and Honda Pilot, visit: http://automobiles.honda.com/odyssey/ and http://automobiles.honda.com/pilot/.
