Log home accessories and Log Lamps- Cedar Stuff

Our Log Lamps are made from many different types of logs. Most are cedar but we also have Oak, Maple, and any other interesting log we can find. All hardware is made in USA solid brass 3 way fixtures, with 5' cord and 8" harps. We have a nice selection of Floor lamps with attached tables, perfect for alongside recliners and side chairs. We will build these with any type of wood to match your decor.

Cedar Log Floor Lamp: Large cedar log are used for these lamps, Minimum log size is about 8" at the base. Lamp stands 54" at the base of the all brass American made 3 way fixtures.

Lamp Shade: Flaux paper lamp shades, Cross hatch stitching ads the rustic charm to these shades .Deer - Moose - Elk - Fish â€“ Bear. Shade are available in 3 sizes 14" - 16" -18"

Barn wood Floor Lamp: Antique Barnwood Floor Lamp. These Hand hewed beams were taken from a barn in Dundee Michigan, The barn was built in 1957, we took it down at the owners request in 2006.

Cedar Log Lamp: This lamp has three Cedar Logs each being about 2-3" in diameter and between 7" and 12" tall the Base is a Cedar slab about 1 1/2" thick and 6" x 9" wide.

Cypress Knee Lamp: Natural cypress knee lamps, These cypress knees as they are call are found in the marsh lands of southern United States, Everyone will be different, Bottom one is about 18" tall to base of lamp switch and about 14" round at base.

Barn Wood Lamps: Lamp is made from 130 year old barn wood. This barn is from Dundee michigan, This is one of the corner braces.

Cedar Log Lamp: This lamp has three Cedar Logs each being about 3" in diameter and between 7" and 12" tall the Base is a Cedar slab about 1 1/2" thick and 6" x 9" wide. Lamp has brass fixtures with a 5' brown cord. Shade is 12" tall 7" top and 14" Base Shade is Light Tan
