Article published on June 16th 2012 | Business

London Fit Out is committed to providing all the solutions that you need for the commercial refurbishment and office fit out of all manner of commercial environments in the London area. Once you choose to commission us for all of your office fit out requirements you can rest assured that we will work tirelessly to not only match, but exceed your expectations.

Here at London Fit Out we take full responsibility for all of your office fit out requirements. From the inception of the order all the way through to occupation, we will deliver all your office fit out solutions in a timely manner, always keeping within the pre-arranged budget specified.

As a customer-focussed business here at London Fit Out we understand that a transparent service in which the lines of communication are always open in integral to the success of the project. With that in mind we will put forward detailed specifications for each of the office fit out projects that we undertake, so you, the client, understand just what we are doing. All of these office fit out specifications are broken down allowing you complete control of the budget. Once you have approved the office fit out design we will produce a detailed construction programme to ensure that your timescales are met.

In addition to these comprehensive services, here at London Fit Out we will complete all necessary legislative matters on your behalf. These include building control, local authority planning issues, building regulations applications, disabled discrimination act and fire control requirements too. In short, our one stop service ensures that we act as the sole agent on behalf of your needs. We produce bespoke designs, tailored to your individual requirements, and create specialist teams that work on your behalf to create solutions that really are second to none.

If you'd like to discover more information about the office refurbishment London, or indeed any aspect of our office fit out services, then you need only come and visit us online at: www.londonfitout.com.
