# Moshe Lax: the Reigning King in the Uncut Diamond Industry by Moshe Lax

Article published on December 10th 2011 | Business

Globally Diamond Dynamics LLC is one of the most important companies of uncut diamonds and precious stones in the United States and in jewelry markets around the world; the organization is headed by the visionary and dynamic leader Moshe Lax who has sculpted this business to amazing success.  Diamond Dynamics LLC has become one of the foremost businesses in the diamond industry; as a result, the company has seen an increase in demands, with Mosheâ€™s determination and hard work.

The dazzle of the worldâ€™s most precious stone the â€˜Diamondâ€™ knocked him, and then he began h quest to develop a successful business out of these priceless pieces. His father Chaim was the first to introduce him to these sparkling diamonds during one of their trips to Antwerp. Chaim was a successful entrepreneur, renowned among different jewelry houses for uncut diamonds and other precious stones.

Moshe developed a vast inventory of uncut diamonds for the business, which served as a platform to build Diamond Dynamics a leading wholesaler of uncut diamonds. He also gained the association of his company with the prestigious De Beerâ€™s to supply the uncut diamonds, which started the steady journey of his business success in the luxury retail market.

In the year 2007, Moshe collaborated with Ivanka Trump, the famous daughter of Donald Trump and the owner of The Ivanka Trump jewelry collection. This well-known jewelry chain has its flagship outlets in New York City and an ever-spreading market that comprises of United States, China and the Middle East.

Ivanka Trump jewelry collection is also credited as the # 1 New Fine Jewelry Collections by United Brands. This partnership was directed to create necklaces, bracelets, earrings and brooches for young and affluent businesswomen.
