# Obtaining a Pre-Owned Convertible in St. Catharines by Ivo Beutler

Article published on May 1st 2012 | Business

A convertible is one of the classiest automobiles people from every age group love driving. The convertibleâ€™s distinctive style provides you with an exciting driving experience. Convertibles donâ€™t have to be costly, and car lovers in St. Catharines have the benefit of finding a great discount from the used car shops found in their area.

Convertibles was first introduced in the 1920s. Its exceptional feature is a retracting hardtop system designed by Ben P. Ellerbeck for the vehicle model, Hudson. Soon after, other brands adapted the convertible feature. In 1941, Chrysler made its first convertible referred to as Thunderbolt.  In 1953, The Ford Motor Company manufactured Continental Mark II and paid out nearly $2 million on a servo-operated retractable roof.

A convertibleâ€™s roof can be retracted and folded away to alter a car  into an open â€œrooflessâ€• type. roof is constructed from a soft or stiff material. Soft-tops are made from vinyl or canvas while hard-tops are created from steel or aluminum. A soft-top convertible is also known as a cabriolet, cabrio, or spyder; a two-seater is a roadster, and a hard-top convertible is marketed as a coupe cabriole or coupe convertible.  A two-seater convertible is also called a coupe roadster.

Other kinds of convertibles are categorized into mainstream and luxury. Mainstream convertibles are sold at competitive prices whereas luxury convertibles are more expensive and usually serve a niche. Worldwide, the best-selling retractable hard top models are those made by BMW. Other brands like Ford also produce top quality convertibles.

The car dealers in St Catharines provide the 2007 BMW Z4 Roadster. This manual transmission, rear wheel drive, two-seater is a two-door compact convertible.  It includes a conventional, manually-operated convertible soft-top, 17-inch alloy wheels, tilt-telescoping steering wheel, and rain-sensing wipers with heated wiper jets. The inside of the car consists of vinyl or leather upholstery and six-way adjustable seats for greatest level of comfort. For enjoyment, the BMW Roadster offers a top quality 10-speaker audio system.

Among the cars for sale in St Catharines includes the 2011 Ford Mustang, which features an automatic transmission and rear wheel drive. The Mustang includes cruise control, 17-inch alloy wheels, keyless entry, and full power accessories. Its 3.7-liter V6 engine is all-aluminum and can generate 305 hp and 280 lb-ft or torque.

St Catharines car dealers supply their customers with used and new vehicles within their funds. There also are different models and makes available. If you would like to learn about convertibles, visit ehow.com and sooperarticles.com.
