Luxury vehicles are considered expensive cars that big car manufacturers like Lincoln produce. These vehicles have higher quality equipment, better performance, more precise engineering and unparalleled comfort that exude a sophisticated image. If you feel you want, and are ready for a luxury vehicle, you can get a reasonably priced one from a used car dealership in Brampton or Mississauga.

The Lincoln Motor Company was founded by Henry M. Leland, one of the founders of Cadillac, in August 1915, and was named after Abraham Lincoln, Lelandâ€™s longtime hero. Leland also built the Liberty Aircraft Engines during World War I. The company was later on retooled to manufacture luxury automobiles until April 30, 1940; after which it became a division of the Ford Motor Company.

Lincoln has a number of luxurious vehicle models including sedans and SUVs. Its Town Car was one of the popular full-size sedans that was produced from 1981 until 2011 and is often converted into a stretch limousine. Lincoln sedans converted to limousines are one of the preferred vehicles of country presidents.

Sedans are not the only known makes of Lincoln. The Lincoln Navigator, an SUV, is recognized as one of the best-selling cars in North America. It is the first SUV from Lincoln, and also the first with a four-wheel drive capacity. The Navigator is the largest vehicle that Lincoln currently offers with a great cargo capacity, and can seat seven to eight people.

The Navigator, one of the used Lincolns Brampton has to offer, is powered by a Flex-Fuel 5.4L V8 engine that is smooth and responsive. A Flex-Fuel engine can run on unleaded gasoline, E85 (a mixture of 85% ethanol and 15% gasoline), or a mix of the two. It can carry both passengers and cargo with its Power Fold seats on both the second and third rows. It also has a towing capacity of up to 9.000 pounds when properly equipped.

Navigators sold in dealerships of used Lincolns Mississauga car buyers prefer have Control Trac 4-Wheel Drive (4WD) systems that enhances traction on slippery surfaces and improves handling on dry lands. It has six standard air bags located in the front and sides for protection during rollover accidents. It is equipped with an AdvaceTrac with RSC (Roll Stability Control) which helps you maintain control over the vehicle, and supports the Trailer Sway Control.

The Navigator has an entertainment console that can be controlled from the steering wheels, ventilated front seats, auto-dimming rearview mirror, speed sensitive wipers and tachometer. You can find used Lincolns Brampton dealerships offer from their extensive inventory of vehicles. For additional information you can go to lincoln.com and automotive.com.
