Article published on November 29th 2011 | Business

Amazemi is a London-based portrait commission company that will turn mundane photographs into something quite special. Our sole focus is to capture the very essence of a photograph through creative artistic expression. Indeed the creativity of our hand painted photo to painting services will last is certain to last a lifetime.

So just why should you choose our hand painted photo to painting service?

Here at Amazemi we offer a completely bespoke service for every customer that chooses our photo to painting service. We offer you a choice of materials, composition, colours mix, portrait size and style. This allows you to completely custom your painting in exactly the tone and style of your choice.

Our hand painted photo to printing service offers numerous advantages over traditional portrait painting. Indeed commissioning a full portrait painting service typically costs upwards of one thousand and five hundred pounds. Our photo to painting service offers you superior prints at a fraction of the cost of traditional portrait painting. With this in mind everyone can afford our uniquely personal photo to painting service and can own an eye-catching piece of artwork that can be enjoyed for years to come.

With a customer-focussed service Amazemi prides itself on capturing the very essence of the requirements set by own customer. Our photo to painting portraits are not simply reworked images using Photoshop. Each of these photo to printing images are hand painted by some of the most talented artists around. We have commissioned portraits of children, families, couples, groups, pets and family homes throughout our history and consistently endeavour to deliver treasured works for all of our customers.

Our swift and dedicated service means that we can deliver photo to painting services in just six weeks. We will submit a first draft of your photo to painting images in just four weeks. Whether weâ€™ve commissioned wedding portraits or captured that moving moment between friends perfectly, you can be assured that in just a further two weeks you will receive so much more than just a picture.

If youâ€™d like to know more information on the range of original portraits then come and visit us online at: www.amazemi.co.uk.
