When it comes to staying in flats or apartments, people prefer to reside in apartments which are found to be more convenient, comfortable and good looking.

In fact, good cities attract more people and especially the cities where the industries are very few and good number of educational institutions is available, people are willing to buy a flat or apartment irrespective of the facts that the flats or apartments cost slightly more. Chandigarh is one among the best cities in India which attracts more people from the northern states like Himachal Pradesh, Haryana, Punjab, Delhi, Uttar Pradesh, Uttaranchal, Rajasthan etcâ€¦ Nobody can deny the fact that Chandigarh is a planned city having a lot of avenues, boulevards, gardens, geometrically designed quarters and public buildings having ultra modern designs. The city was named after the temple of Chandi considered to have been built by Mayer and Novicki.

Flats in Chandigarh really attract many people and in fact the city is considered to be the cleanest city in India. It looks great while travelling from one sector to another sector amidst the well laid roads.

When it comes to acquiring flats or apartments, people require the facilities namely; twenty four hours power back up and security services; for meeting emergency needs care taker facility; for uninterrupted supply of purified water, water treatment plants; neatly designed fitness centers exclusively for men and women with hydraulic equipments; childrenâ€™s play area; earth quake resistant structures; proximity to the railway station, bus station and air port and availability of hospitals, schools, banks and colleges nearby the flats and apartments.

When it comes to buying apartments in Chandigarh, the buyers are more attracted towards the artistic beauty of the city and apart from the various facilities available in the apartments, the city is having a large number of parks surrounded by good plants, trees, ponds and pools and it is really interesting to visit the good looking secretariat, assembly and high court buildings; museum and art gallery; Punjab University located at the beautiful hilly surroundings landscaped with parks and pools; shopping centers with attractive shops and restaurants located at Sector 17C, 17B and 34A; Sukhna lake, an artificial lake with a delightful promenade beside it; Rock garden and Zakir Rose garden situated in 30 acres in extent having more than thousand varieties of rose plants. When it comes to buying flats in Chandigarh can be considered to be a good choice and the buyers can be always cheerful, happy for living in posh, comfortable, luxurious apartments in Chandigarh which afford a peaceful and nice sleep during the night.
