Roorkee is city in the Indian state Uttrakhand and is popular for many things like its IIT Roorkee. Roorkee has the average literacy rate of 82%, which is higher than the national literacy rate. The city is well known as the educational and research centre and is famous for the educational standards it has set for the students. Schools affiliated to various boards are the backbone of the education in Roorkee.

Schools in Roorkee are a perfect blend of modern education and traditional values. The best such schools are Greenway Modern School, Chandra Shaikhar Public School, Doon Public School, Roorkee Public Senior Secondary School, Army School Roorkee Cantt, Kendriya Vidyalaya, Sarvagya Public School, Skyward Public School, Adarsh Bal Niketan Senior Secondary School and Pushp Vidya Public School.

Chandra Shaikhar Public School said to be one of the most reliable schools in Roorkee is located in Ram Nagar. The school is co educational and the medium of instruction is English. The objective of the school is to deliver moral values to their students with the superior education. The school stands tall in living up to the expectations of the city. The faculty of the school is extremely dedicated towards their work and immense knowledge is their pride. Sports and extracurricular activities are also taken as the primary responsibility by the school. The school consists of a play ground and several sports are available for the students to play. All the games are well supervised by the teachers for the safety of the children.

The school is efficient in all the forms. The facilities provided by the school are not based on luxury but are based on the idea of studentâ€™s mental and physical growth. A well equipped library with over 10,000 books of different subjects, transport facility, science lab, computer lab, medical care and filtered cold water are some essential facilities of the school

Greenway Modern School is yet another reputed school in the city situated on New Road Adarsh Nagar. It is a English medium co educational school that serves education from class nursery to class 12th. The school believes that the greatest blessing to the human kind is education and so it strives for the excellence in education. The school is dedicated in exploring a childâ€™s complete personality and finding the inner talent of the students. The students are encouraged to take up the new path and then lead the others and become a source of inspiration. To fulfill all these objectives,

The facilities that the school provides to its students are transport facility available for the students for the entire city,School Auditorium having sitting capacity of 2000 students, Edu-comp smart class rooms, Well stocked library with audio visual aids, Silent generator, Well equipped Chemistry, Physics, Biology and Maths Lab, Fully video surveillance campus, Multimedia rooms with latest computer technology, In campus canteen facility and Music classes. The gap between a teacher and the students is reduced by the innovative teaching method adopted to teach the students. Time to time activities are organized by the school to work on the self confidence of the students.

Roorkee has evolved as an educational centre and it will expand a lot more in future. The schools are already so developed but still are finding ways of improvement. A child is in safer hands in Roorkee.
