Rudra Group launches Rudra Sera Bella, a contemporary integrated township embroidered with various amenities which make it a more desired and luxurious place to live in. The project is located within a sprawling complex where it emerges like an oasis in the desert and generates a spectacular modern habitat using amongst others earthquake resistant technology. This ultra modern integrated township is bound to make your stay a comfortable and peaceful. It goes without saying that it would be an experience beyond ordinary as finishing is just perfect, ambiance exudes luxury and the design presents a mesmerizing sight. The project offers you the most stylish and lavish lifestyle that one can ever imagine.

Rudra Sera Bella is a joint venture of 2 premier groups, Rudra and UM Architecture and Contactor Limited. Wherein UM Architecture and Contractor Limited, further takes pride of being promoted by HDIL and Conclave, trusted players of Real Estate Industry. Itâ€™s an opportunity of a lifetime to live in the same tower where Gautam Gambhir has a home.

Rudra Sera Bella comprises luxurious two and three bedroom apartments that available at affordable prices. There are world class amenities like swimming pool, Jacuzzi, steam and sauna bath etc. There is an exquisite club house featuring all the comfort and leisure activities to rejuvenate your senses after hard working day. In addition to this, there is a Health Club as well as a fully equipped gymnasium with a trained physical instructor that will help you to gain proper fitness. The world class amenities and the well furnished apartments have been instrumental in luring the investorâ€™s into buying the property.

Rudra Sera Bella is situated in Indirapuram that is a developed area in the industrial city of Ghaziabad. The area is well connected to several major spots of the city as well as other parts of National Capital Region. The project is enjoys the neighborhood of six malls and several housing projects. It is also near to the proposed site of the new upcoming Metro Station and hence it is bound to be a good investment option.

Rudra Group is a dynamic and modern home builder with traditional values - a value change in building home. The Group is an organization of passionate and zealous engineers and space planners. They have endeavored to commit that Mantra that â€œTransparent Management Fosters Growthâ€• the group in turn sets examples in personal and professional conduct all while delivering products and services that exceed customerâ€™s expectations. Rudra Group makes every effort to ensure customer satisfaction by providing them with improved quality of life and living standards.

â€œAs a middle class boy, I always knew what home means to an Indian family. The same sentiments are also echoed in Rudra familyâ€™s working style and characteristics. This is the reason that in this whole gamut of builders and developers, I became a member of Rudraâ€•, as said by Gautam Gambhir, Director of Rudra Buildwell Realty Pvt Ltd.
