Is your outdated car giving you too much issues or are you the last person existing in the Niagara region who still rides in the St. Catharines train? Perhaps it is the right time that you buy a car. If you have limited funds, you could always opt for a pre-owned automobile. Among the favored used vehicles is a crossover.

Crossover vehicles are some of the most durable vehicle types available in the market. According to Edmunds.com, crossovers are either tall wagons or SUVs. There are also compact and midsized crossovers with a third row seat. These are much easier to maneuver and have superb fuel economy. The following are just some of the best crossover vehicles available in St. Catharines car dealers.

Ford Escape

Popular for being a fuel-efficient vehicle, the Ford Escape delivers a decent SUV driving experience. It has a V6 cylinder engine and an automatic transmission for an easier drive. Some models have heated seats for extra convenience. There are also hybrid variants of the Ford Escape although these are not frequently available from used car dealerships.

Chevrolet Equinox

The Chevrolet Equinox is one of many new breeds of more compact crossover SUVs available in the used car industry. It received favorable reviews from car experts because of its comfy car-like built. It includes a V6 cylinder engine, automatic transmission, and sunroof.

Buick Enclave

The Buick Enclave is one of the most sought after Buick models accessible in St Catharines used car dealers. A few models of the Buick Enclave have six-speed transmission, seven-passenger seating, DVD, rear back up sensors, dual climate control, and power lift gate. According to Edmunds.com, the 2008 models of the Buick Enclave had a significantly lower output of 275 hp and 251 lb-ft of torque but subsequent designs have been improved and include a 27-lb-foot of torque, 3.6 liter V6 engine, and 288 hp.

Volvo XC90

The Volvo XC90 is a midsize SUV crossover well-liked among families who frequently visit used car dealers in St Catharines. The Volvo XC90 is preferred for its security features and child-friendly amenities like the dual DVD player. It is also among the most eye appealing models with its 19-inch alloys and fashionable exterior.
