Article published on March 30th 2012 | Business

Mohali is attracting individuals from all over India now, be it the investors for the commercial investment or for the residential investments. Due to its calm and peaceful and green surroundings, many people who work in Chandigarh prefer to own a house in Mohali. The Apartments in Mohali can be owned at affordable prices and this is the reason behind the upward trend followed in the real estate business in Mohali. People always have the desire to own a beautiful place where they want to reside for the rest of their life. Mohali is the place where this desire of the individuals can be fulfilled. When you are about to make a deal in real estate, it should be done with utmost care as this is not something that can be done and redone. Individuals have the choice of buying fully furnished apartments, condominium, independent bungalows to lavish villa in Mohali. If the individuals are taking the help of the real estate agents while making a deal, then it is worth going to be a profitable one which the individuals will never regret as the these agents have the complete knowledge of the whole market and they are extremely competent.

Nowadays if you are investing in Mohali property then you are making the most money-spinning deal. There are several options available at hand from purchasing residing Flats in Mohali to making investment in the commercial business land. There are large numbers of options available even if the people are interested in investing their money in the Built up houses in Mohali and they are available at the most appalling prices. The investors will have huge benefits for putting their money in such properties. As semi-urbanized areas are also coming up, so it is a good option to invest there as well and the developers and the builders are consciously targeting these areas for their upcoming projects. Mohali being blessed with greenery and pollution free environment and along with long run excellent future prospects due to technological advancements is getting a lot of attention from the investors. One can even buy booths in Mohali to run their business or giver them on rent to earn the monthly revenue in the semi-urbanized or the urbanized areas of Mohali.

Another highlight is that, several NRIs are also showing keen interest in buying land, apartments, bungalows or even villas in Mohali. Many NRIs have already bought property in Mohali thinking that they will spend their retired live here, after coming back. The reason for them choosing Mohali is the easy accessibility of everything and the provision of all the necessary amenities which are not available anywhere else in Punjab. NRIs feel no difference from foreign when they start living here.
