Today, slogans on tee-shirts are very popular among youngsters. T shirts could make a big style statement.  But the types of shirts you wear can say tons about you. Tees that have funny and wacky slogans are especially common. Additionally popular are those with interesting graphic designs. In fact, you can design your own tee-shirt slogan. You'll want to create something eye-catching, aesthetic and/or memorable. Your design must speak to people and touch them in ways that are relevant or sentimental.

If you're good with one-liner jokes or phrases (a one-line phrase that is humorous or thought provoking) and you always seem to have something clever to say, chances are good you can turn that talent into a freelance business with the potential to earn you a good living. Tee shirts with funny slogans are always in demand. They are highly popular among youngsters. Also, witty jokes and out-of-box statements are very attractive.

Tips on how to design your tee-shirt slogan

First you have to decide that whether you are making one-liners for tee-shirts for kids or elders. If you making one-liners for kids tee-shirt, you can use funny slogans. Funny tee shirts for kids are very common. Sit down at the computer or with pen and paper and write. Think of catchy one liners that many people will be able to relate to. These ideas can be outright humorous or they may require people to think. Write as many down as you can think of. Don't spend too much time analyzing. The best one liners are most often the ones that come off the top of your head and on the spur of the moment. One liner that often holds a bit of truth has the power to touch millions.

Tee-shirt Slogans That You Should Not Make for School Kids

You have to be very sure what kind of slogans you are using for tee-shirts for youngsters going to college. We should be appreciative of the ones that have regulations on what their students should wear or we as students should be mindful of what we wear in the school premises. Some students buy clothes that when worn might be decent enough in terms of covering the body, but the message on it may be unacceptable and offensive to others. This appears to be on both women's and men's t-shirts. Slogans like - studying sucks, God ate my homework, prevent hangovers, stay drunk and the like give very wrong messages and can even question your moral values.

Tee-shirt slogans can tell a lot about you. You have to be very careful while designing your own tee-shirt slogans. Tee-shirt with funny slogans is always safe but even they should not give a wrong message. A nice and light joke is perfect.  Consider slogans that have survived the ages, simple word combinations that most everyone has heard. As the T-shirt designer, it is your job to create new slogans, adages or catchy phrases. Short is usually better as it is more easily remembered. However, even a longer message can be memorable if it flows and has rhythm or rhyme.
