Finally...A company that TOTALLY gets what we really want!

Yes , a 10 year old company has just hit the direct sales industry and is currently in pre-launch and they've been featured on Dr. Phil, Dateline,Tyra Banks and CNN to name a few. They recognize this challenged economy for you and I and are putting their

money where their month is. Theyâ€™ve put together the most needed compensation plan for today. More importantly this comp plan can put a full-time income (5-figures per month) in your pocket in 30 days or less. No silly company plan games working and waiting months to earn real income. This revolutionary compensation plan can begin paying your bills - NOW! ...and wait until you see what their product line is! In fact a friend of mine just got started and earned $27,824.00 in his first 5-Days!

He reveals exactly how and why this is already being called the opportunity of the decade on our free 24/7 video. Call me after you have watched the video and let's talk. :-) On the video you'll also find out about how you can claim an amazing $11,404 worth of Prelaunch Bonuses! Did you know that only .6 of 1 earn 5 figures monthly online? That is truly a shocking statistic and it just goes to show how todayâ€™s Compensation Plans are failing! This is a sad fact about our industry. Well finally there is a company that recognizes this and they have put together a Compensation Plan that suits todayâ€™s needs, all under one roof!

Compensation Plan that:-

- Generates Immediate Income To Pay Your Bills Today!

- Develops Instant Passive Weekly Income

- Creates Long Term Residual Income

This revolutionary company covers 3 income streams that many people until now have had to work three different programs to achieve! Not anymore. No wonder this is being called the opportunity of the decade. Discover for yourself what could be the easiest way for you to make $1000 per day part time from home you have ever seen at: - www.thirtygrandamonth.com.You will NOT regret it. Looking out at our world today, it seems people today, more than ever need a method/strategy or Plan B for generating income that's totally resilient to the variables outside of our control.
