Article published on June 12th 2012 | Business

News, as we all know keeps us updated with the most recent and current affairs that are taking place all across the world. Today news has become a very well known and popular source of communication. It keeps an individual updated about the latest, recent and current news. Thus we are familiar with what is happening around us and across the city; in the state and in the whole country thanks to the news.

The news that has the latest news related to the state events and occurrences is referred to as state news. State news keeps you updated with all the issues of matters of concern of your state. These have different TV news channels in every state. For instance in Maharashtra, along with Maharashtra news; Punjab news, Gujarat news, Orissa news, Bengal news, etc is also aired. This helps in educating ourselves and updating ourselves the most recent events of not only our state but also of other states of the entire nation.

State news generates a feeling of oneness among the people. It keeps you posted with the latest state news of India which helps in interaction among the people as they discuss these issues in their particular local areas. People of same views come together to support an issue or to oppose an issue be it a matter of concern in their state or some other state. Thus, the latest state news is bringing the people of the nation closer to each other. The newspapers too have a separate section for state news updates.

State news channels have their own news websites where in they provide the very recently occurred latest state news at a faster rate. Referring to news online is a very convenient and time saving method. There is a facility for you to subscribe to state news alerts on your mobile phones as well. This is made available to you anywhere and at anytime i.e. you can subscribe to Punjab news alerts even though you stay in Maharashtra and up to date yourself with the Punjab news easily.

State news of India has made it very much easier and convenient for people to have updates about their hometown and making them feel as if they are still there with their family. Thus, India news has narrowed the gaps between people and their closed ones even though they are divided by the boundaries of the states.
