Trust Mendip for All Kind of Office Storage Solutions by Robert Whalen

Article published on December 1st 2011 | Business

Whether you have a mobile business, or you possess too much for your office; eventually every business needs additional storage space. Building permanent storage space is not always feasible. The more cost effective option is to rent a temporary storage space for long or short term usages. If you have certain similar kind of requirements, Mendip Self Storage can turn up as a one stop destination for you. Being a member of Self Storage Association of UK, the company is extending high class business storage facilities along with personal as well as specialist storage solutions.

When it comes to business storage, Mendip Self Storage allows its customers to rent storage spaces for minimum of a period of one week and maximum for as long as you want. The units that the company is offering are ranging from 15 sq ft to 200 sq ft to make sure that these can give place to all kind of goods. To make sure you get the best and most secured storage solutions, the company has installed 24 hours CCTV system powered by latest technologies.

To make it a hassle free office storage system, Mendip Self Storage offers some out of the box facilities like forklift and cradles specially meant for first floor customers. On the other hand, ground floor customers can take advantage of flat bed trolleys. And the most exciting advantage of hiring Mendip for all kind of storage and relocation needs is its FREE van hiring attribute. This will help you to transport your goods for effortlessly without spending any buck.

When you are working with the company, you need not to worry about the security of the goods as the company offers 24/7 protection from fire, theft and rodent invasion. The company also extends its storage facilities to Bath. Both business and residential storage options can be availed, including all other facilities that the company offers. Supplying packaging material is also an inclusion in the offered services of Mendip Self Storage. In packaging supplements customers get to use storage boxes, coverings for soft furnishings, marker pens, bubble wrap, tape etc.
