Article published on July 17th 2012 | Business

Silver rosary beads and other types of rosary beads are objects that are used in a number of different religions for prayer. Silver rosary beads tend to have the greatest association with orthodox Roman Catholics and many people donâ€™t realise that they are used in a number of other religions such as Hinduism, Islam, Buddhism and other denominations of Christianity. The name Rosary beads comes from the Latin word â€˜rosariumâ€™ which means garland or bouquet or roses. Silver rosary beads are a string of beads on a silver chain with a crucifix attached.

Silver rosary beads are often bought for people who follow a religion to mark special religious occasions. Popular occasions that silver rosary beads are bought for are baptism, confirmation, christening, first communion, wedding, funeral or to help with healing. You can get some very simple silver rosary beads or more decorative ones with Swarovski crystals and other semi-precious stones which make beautiful gifts. Other silver rosary beads feature the Irish shamrock with Catholicism being followed widely in Ireland. As well silver rosary beads you can also purchase many other types such as corozo, marble, olive wood, rosewood, pearl and other kinds of rosary beads.

Silver rosary beads are available in designs for men, women and children. Silver rosary beads are a very special gift choice for a first holy communion and some come in a gift set along with a small silver challis which makes a wonderful keepsake to mark this special occasion. Silver rosary beads are designed in a full circle and the crucifix hangs from the middle and you will find five sets of beads on each rosary. The design of silver rosary beads has changed over the centuries as people now seek more decorative deigns. Lots of people will carry their silver rosary beads with them at all times and will use them each time they pray, especially when they are in church.
