What You Need to Know About Free Beauty Samples by [Alberta Reid](#)

Article published on December 13th 2011 | [Business](#)

Free beauty samples? We all have tried it or maybe have heard about it sometime or the other. Customers who have tried such freebies are very happy and would want to recommend using them. There are many benefits for you to have when you request free samples for beauty products and today we would like to tell you more about them. We request you to please read on and be well informed for the same, since a penny saved is a penny earned we say.

As the title suggests "Free", you don't have to spend a single dollar on any of the products given by companies on trial basis. Every single item they give out is free, but some companies may ask you for shipping and handling charges, so we advise you to read all the terms and conditions to avoid disappointment for the same. For example, free perfume samples by some companies are given out to the public for trial reasons, but not all companies of repute would ship them to your doorstep for free, they would in fact ask you to pay for the shipping and handling.

From the various free beauty samples available online or otherwise today, you would find a range being given out to you. For example, there are companies who would give out free perfumes, makeup kits, skincare products, creams, shampoos, lotions, mousse etc. There are other health related products which would form the army of freebies as well, so check carefully and make your choice. However, some of the products, such as free perfume samples would be given to you for free on a trial basis only if you are willing to foot the bill for shipping and handling.

Free perfume samples and other free samples such as creams to remove dark circles, whitening products, hair fall solutions etc, are for you to choose and subscribe for future needs as well. But if you aren't happy with the trial products, you can go ahead and cancel the whole subscription without any obligations whatsoever. Hence if you are looking for a certain product to try, and if you check online at reputed websites carefully, you will find what you are looking for. The best place to check for Free Beauty Samples would be to look directly at the websites of these manufacturers. You could even look at leading retail stores online as well and obtain samples for the products you need.

The best part about going to such websites giving out free beauty samples is that the range on offer would be large and wide. Most of them come with combo offers, which mean you get more free products along with the item you just chose. This also means you never know what else comes into your kitty to make you a happy customer. The main aim for the companies to give out free samples such as free perfume samples would be to promote their products in the market by making you try them first and then spread the goodwill around.
