Appeared for GATE 2013? Check out the GATE Answer Key 2013 to Estimate Your Score by Arpit Seth

Article published on July 17th 2012 | Career

GATE or Graduate Aptitude Test in Engineering, is an entrance exam conducted by the Indian Institute of Science (IISc) and all seven Indian Institute of Technology (IITs). It is conducted for all the students who have successfully completed their graduation in Engineering, Architecture or Technology or for the students who are in the final year of their graduation for any of these above mentioned courses. This exam enables students to pursue their further studies of post-graduation through the top most colleges of India. The number of aspirants for this exam has increased over the years due to the innumerable advantages one gets after clearing GATE. Hence, the aspirants for GATE Exam 2013 are much more in number than it was earlier.

The metamorphosis that the industry is going through has boosted the demand of qualified and well educated engineers and thus a lot of candidates are planning to appear for GATE Exam 2013. Hence, one will have to work extremely hard to get a good GATE Result 2013 to be able to stand out in the test. Although there are other entrance examinations for getting admissions in a post graduate course, GATE Result 2013 is given importance over all these exams. Moreover, all the top most colleges consider a GATE score as one of the eligibility criteria for getting an admission in the college.

Even some of the Public Sector Units (PSUs) have started considering a GATE score for the recruitments for various positions in their organisations. However, cracking this exam is very difficult. This exam comprises of 60 questions with multiple options of the answers that the candidate needs to choose from respectively. The exam is of 100 marks in total and each wrong answer costs negative marking to the students. The duration of this exam is for 3 hours and the candidate is required to answer limited questions but the right ones to score well. Time management is very important as in limited time the candidate is required to understand the questions well before answering as although there are only 60 questions, all of them are quite tricky. After you have appeared for GATE 2013, you are then required to explore your options.

Firstly, you are required to estimate a tentative score that you expect in your GATE Result 2013. This will help you judge your way forward and hence, you can plan accordingly. This can easily be done with the help of GATE Answer Key 2013. Matching your answers with your friendâ€™s who appeared for this exam can make you fret as you will not be sure of the answers and can calculate a wrong score. This can lead you to choose a wrong option and can hamper your future. Hence, a wise option is to refer to the GATE Answer Key 2013 that will provide you with all the correct answers of the questions asked in the examination.

Cracking this exam with a good score can open the doors to innumerable lucrative career options for a candidate. Also, the score of this exam is even accepted by a lot of top category institutes of other streams. Hence, even if you change your option of stream or course, this score can undoubtedly assist you with it too.
