Costa Rica and Cambodia and their volunteering programs by [Rafalmartin](#)

Article published on March 6th 2012 | [Career](#)

Costa Rica has various cultures and it is located in Central America. In the north, the country is bordered by Nicaragua and south is covered by Panama. Pacific Ocean is at its west and in East Caribbean Sea lies. Costa Rica is the only Latin American country which now exists in the world. When we talk about volunteering in Costa Rica, then the professional volunteers say that this work here is education in itself. Volunteers working here are very much enthusiastic and they strive for helping others to a great extent. Latin is known to be the mother of all the European languages. When you will live in Costa Rica and get to interact with people living there, then you are able to understand the environment well. Much volunteer work in Costa Rica can be found. This work includes construction of homes, developing communities, conserve nature and overall educational improvements and developments.

Volunteer work Costa Rica is not just about the development of the community, it includes a number of other things like managing some project that is associated with the conservation of the environment. Volunteer work here also contributes towards the country's media development. The landscape of the crystal blue Caribbean Sea and wonderful jungle with rural villages has made volunteering in Costa Rica much popular. Along with working, the volunteer can also explore the amazing spots in the country he is working in. Sea turtle conservation is one of the most popular volunteering programs in Costa Rica. A turtle tour through Costa Rica and Panama has also been made a part of this volunteering program. Volunteering in this country will also provide you a chance to learn about the rural life here. You can see such volunteering programs at the National Geographic channel. If you are going to volunteer here in the country then you may want to learn Spanish before you actually work just to avoid problems during working.

Cambodia was originally known as Kampuchea but now it is officially known as the Kingdom of Cambodia. Volunteer programs Cambodia are abundant in number too. Volunteering Cambodia last for a year. This proves to be very much helpful for the volunteers who have to come from overseas as they are able to get inexpensive travelling tickets. Volunteering in Cambodia can enable a person to learn a lot and experience new stuff. Each of the volunteer programs Cambodia is based on the skills and interest of the people. Sometimes an organization selects a volunteer and sometimes a volunteer selects an organization to work in. A volunteer starting from 17 years of age can work here in Cambodia. You don't have to possess some special qualification to work as a volunteer, all what's needed is to be flexible and patient, loving nature and adaptive. Many of the volunteer programs Cambodia focus on the development of the ecosystem improve the standard of poor people introduce developmental programs and much more.

In short, all those people who want to do something different must get them involved in volunteering activities. It allows one to have maximum self satisfaction in every sense and manner. One can easily get one enrolled in any of the volunteering program.
