Article published on June 25th 2012 | Career

There are several reasons why your services as a traveling nurse are so much in demand. You have several areas of specialisation in the main domain of nursing. You can be a specialist in Surgery Open Heart, a Speech Therapist or a specialist in Ambulatory, Cardiac Catheter Laboratory, Critical Care, Dialysis or Endoscopy. Your specialisation may be in Labor & Delivery or Oncology, Post Partum, Psychiatry or Surgery PACU or Telemetry. This is the kind of vastness in specialised skills a traveling nurse can be competent in. The big problem is that there is an acute shortage of nursing professionals in several hospitals throughout the US. To the general shortage of nursing professionals if you add the fields of specialization, a traveling nurse can be qualified in; you can imagine the significance placed on traveling nurses. You are a professional who is well-sought-after. Therefore, you can take your pick among the best of nursing jobs in the US.

There are travel nurse agencies that are staffing companies duly certified by JCAHO. These agencies have a large number of registered nurse jobs with them. The agencies help travel nurses and other medical professionals find exciting long term temporary assignments for thirteen weeks or longer throughout the country. Since these agencies work very closely with thousands of hospitals and clinics, they come to know when such establishments need temporary help. Such needs arise due to shortages of staff, new hospitals that have opened or increase in census. These agencies pay the highest rates in the industry along with the best of benefits. Some of these benefits include accommodation, transportation, workerâ€™s compensation insurance, vision, medical, dental, orthodontics, chiropractor, life insurance and professional liability insurance or malpractice.

The travel nurse positions are selected depending upon your area of specialisation by professional representatives of the travel nurse agency. These representatives understand the medical industry and your specialized skills set. Since the agencies enjoy outstanding working relationship with the major medical institutions, it is easy for them to get the best of nursing jobs assigned to travel nurses. There are formal processes and procedures with which the right candidate is matched with the best opportunities available in the field. Therefore, you are assured of the best travel nursing jobs in a place of your choice. You get your pay checks deposited directly since the agency uses a payroll and benefit Service Company such as Kruse and Associates which administrates the plan. Finally, your data is held in strict confidence with the travel nurse agency that does not share such data with a third party other than with your approval.
